PRINCIPAL’S MESSAGE

Community Donations

A few people and organisations to thank this week. Firstly, Koori Kids who donated lots of wonderful toys and bike helmets which are being used across the school. Koori Kids were contacted by one of our mums, Sherese Thomas and was able to arrange this wonderful donation so thank you Sherese.

This morning, Mr Brian Hanley, from Manildra made a substantial donation to enable the Breakfast Club to keep running each morning. The children are now able to choose between toast with spreads, eggs or cheeses and cereal and milk is also available. Breakfast Club is open from 8.30 am each morning.

P&C Meeting

The P & C association are holding the monthly meeting tonight at 7.00 pm in the staffroom. I hope that some of our new families will get involved with the P & C. The P & C Annual General Meeting will be held next month.

Kids Matter

Kids Matter is an Australia wide program which involves school communities working together to foster good mental health and wellbeing. There are results for students as not only does mental health and wellbeing improve but academic results also improve. The program is rolled out in four components. The first component is: Positive School Community, which has the catch phrase, “every face has a place”. In other words, every member of the school community is important and valued and has something to contribute to the school community. There is an action team for Kids Matter and it will be incorporated into the school plan for 2015-17. It connects with our positive behaviour for success program and reinforces that respectful relationships are important at all times.

Birthday Celebrations at School

At times, families provide cakes for classes to share to celebrate birthdays. Please ensure that your child’s class teacher is aware if you do not want your child to eat these cakes.

Page Avenue Dismissal

As there are now a lot of children leaving school via the Page Ave exit, I am asking parents who meet the children there each afternoon to support the Road Crossing Supervisors by not standing in between the red and white poles as this blocks visibility.

First Assembly

Thank you to the school leaders who did a great job running our first assembly for the year. Thank you also to K-6D and 1/2W who did a wonderful job with their class items.

Assemblies are held fortnightly (even weeks) on Mondays commencing at 2.00 pm. Keep an eye out for class items in the newsletter.

Have a brilliant week everyone and stay sunsafe!
