PRINCIPAL’S MESSAGE

Principal for a Day

On Thursday, I will vacate my office for a large part of the day as Miss Abbie Haughton takes on the role of Principal for a Day. Abbie was selected by the SRC to be a part of this program which has a serious leadership component but also a bit of fun attached. Hopefully, Abbie will report back in next week’s newsletter about her experience as Principal for a Day.

Fun Run - Correction

I would like to correct an error from last week’s newsletter: Mrs Leonie Fleming, grandmother of the Beattie boys, helped out at the North Nowra Public School drink station for the fun run. Mrs Renae Beattie helped out with our team of great runners while her Mum ensured that the 4 km and 8 km runners were kept hydrated. Thanks Mrs Fleming!

Kids Matter Framework

At next week’s P & C meeting, Mrs Payne will outline the KidsMatter framework and where we are up to with the implementation of this program. I hope that you can attend this meeting which will be held on Tuesday, 16th June commencing at 7.00 pm in the staff room.

Student Reports

Teachers are currently completing student reports and making arrangements for parent/teacher interviews. The reports will be distributed from Friday, 19th June.

Eisteddfod Performances

Congratulations to the students and teachers who represented this school at the Eisteddfod last week. Unfortunately, no prizes this year but a special mention of KT was made by the adjudicator. The reports that I received were very positive! One very positive report was regarding Josh Jenkins and Cooper Nicholls from 1/2W – great job boys!

This week’s Highlights

Cooper Nicholls also visited me late last week as his teacher was very impressed with his writing – another great job Cooper!

Akasha Herbert, Jasmine Economos and Ronin McElhinney were also sent to visit as they had done fantastic drawings of stick insects. I had the pleasure of morning tea with Elizabeth Lowe, Jessica Massey, Katelan Hutson, Chloe Floyd and Hailee Lukey last Wednesday. Finally, Jyah Carpenter took me through the process that he used to plan his writing; write a draft, type and publish his work.

Enjoy your week!

Mrs Julie Ashby – Principal

BREAKFAST CLUB

We are in need of volunteers to assist with our very popular Breakfast Club Program on Friday mornings. If you can spare some time to help out please contact Mrs Thornton via the school office.

DOES YOUR CHILD HAVE AN INTEREST IN SCIENCE?
Would they like to learn more about experiments and how things work? We have the opportunity to participate in the Shoalhaven Science Fair 2015. At North Nowra Public School we will be setting up a science club on Wednesdays first break in 4F, with the intention of entering experiments in this competition. Students will have opportunities to explore many concepts in science through exploration and experimentation. Students in classes 3 - 6 will be asked to submit an application form to express their interest and a group will be chosen. The club will require commitment and enthusiasm. We look forward to sharing our science knowledge with your children.
