Congratulations to our representatives at the District Athletics Carnival and thank you to the parents and staff who enabled students to have this opportunity. We are proud of all of you. Mrs Thomson will provide a full report when the results are available.

Class 5/6G entertained the audience at our assembly yesterday with some dancing. Well done and it was good to watch the coordination, the sequence of moves and the enjoyment. Thank you to our leaders who controlled the assembly, Jayden Burns, Lachlan McDonald, Shannon Cook and Tiffany Green.

Have a week full of happiness!

TREATMENT OF HEAD LICE
Head lice are a very common problem that most parents and teachers are more than familiar with. If your child has head lice here are some treatment tips:
- Do not treat your child if their scalp is irritated or inflamed
- Always read the head lice product label and directions before you apply it to your child’s head. Products can be found in local chemists
- Apply the head lice product to every strand of your child’s hair and work through, leave for 20 minutes, and comb out with a good quality lice comb
- Check your child’s head and if dead lice are found, the product has worked. However make sure you re-treat your child’s head in seven days to catch nymphs that have emerged from unhatched eggs
- Reduce the risk of your child catching head lice by tying their hair back or braiding it.
